# **MANAGEMENT DISCUSSION AND ANALYSIS** **REPORT**

## **INDUSTRY STRUCTURE AND DEVELOPMENT**

India was the world's second largest steel producer in 2019. India surpassed Japan to become the world's second largest steel producer in 2019 with crude steel production of 111.2 million tonnes (MT). In India, as per Indian Steel Association (ISA), steel demand is estimated to grow 7 per cent in FY20 and FY21.

In FY20, crude steel production and finished steel production in India was 108.5 MT and 101.03 MT, respectively. Export and import of finished steel stood at 8.42 MT and 6.69 MT, respectively, in FY20.

India's per capita consumption of steel grew at a CAGR of 4.43 per cent from 46 kgs in FY08 to 74.10 kgs in FY19.

Government has taken various steps to boost the sector including the introduction of National Steel Policy 2017 and allowing 100 per cent Foreign Direct Investment (FDI) in the steel sector under the automatic route. According to the data released by Department for Promotion of Industry and Internal Trade (DPIIT), Indian metallurgical industries attracted Foreign Direct Investment (FDI) to the tune of US\$ 13.40 billion between April 2000–March 2020.

The Government's National Steel Policy 2017 aims to increase the per capita steel consumption to 160 kgs by 2030-31. The Government has also promoted policy which provides a minimum value addition of 15 per cent in notified steel products covered under preferential procurement.

During FY20, the Indian economy witnessed series of challenges given the decline in overall investments, private consumption and regulatory uncertainty. Q4 FY20 witnessed lower economic activity due to the restrictions and lockdowns in the month of March, owing to Covid-19 pandemic, which typically tends to be a month which sees increased output with businesses trying to meet targets before the end of the financial year.

### **PERFORMANCE HIGHLIGHTS - INDIAN STEEL INDUSTRY**

According to the Joint Plant Committee, crude steel production declined by 1.5% y-o-y to 109.22 MnT in FY 2019-20, with a sharp contraction of 20% in March 2020 due to COVID-19 containment measures.

Finished steel production grew 0.8% y-o-y to 102.06 MnT; non-alloy steel accounted for 96% (up from 93%), or 97.66 MnT, while alloy steel contributed the balance 4.4 MnT. In the non-alloy, non-flat finished steel segment, bars and rods grew by 3.6% y-o-y to 40.48 MnT, whereas in non-alloy flats, HRC grew by 2.6% y-o-y to 43.29 MnT.

India remained a net exporter of finished steel during FY 2019-20, with exports of 8.36 MnT, up 31.4% y-o-y. Non-alloy HRC was the most exported product at 4.82 MnT, while bars and rods led the non-alloy, non-flat segment exports with 0.51 MnT. Meanwhile, India imported 6.77 MnT of finished steel, down 13.6% y-o-y, with non-alloy HRC accounting for 34% of the total imports. Imports from Korea accounted for 40% of the total imports.

### **OPPORTUNITY AND THREATS**

With several backward and forward linkages in place, several factors catalyse the demand in the steel industry. Traditionally, construction, infrastructure, automobiles and consumer durable sectors generate steel demand, while the availability of raw materials and workforce has an impact on the production.

During FY 2020, Indian steel manufacturers continued to face the challenges of imported steel due to elevated level of imports from Japan and South Korea, besides reduced demand from the automobile and its ancillary sectors. However, the government is working towards bolstering India's steel industry by direct and indirect policy stimuli that are expected to increase demand (multimillion-dollar NIP and fresh investment in power, railways, and water, coupled with renewed interest in the automobile sector) and reduced imports.

### **OUTLOOK**

The IMF estimates Indian GDP to contract by 4.5% in FY 2020-21. However, the economy is likely to rebound by 6.0% in FY 2021-22, supported by the synchronised fiscal and monetary policy stimulus.

The World Steel Association (world steel) forecasts steel demand to decline by 6.4% y-o-y to 1,654 MnT in CY 2020, due to the COVID-19 impact. However, it has asserted that the global steel demand could rebound to 1,717 MnT in CY 2021 and witness a 3.8% rise on a y-o-y basis. Chinese demand is likely to recover faster than in the rest of the world. The forecast assumed that lockdown measures will be eased by June and July, with social distancing continuing and major steel making countries not witnessing a second wave of the pandemic. Steel demand is expected to decline sharply across most countries, especially in the second quarter of CY 2020, with a likely gradual recovery from the third quarter. However, risks to the forecast remain on the downside as economies make a graded exit from the lockdowns. Now there are proven vaccines allowed by several countries so it is expected that the impact and fear of COVID 19 will reduce substantially in 2020-21. Surprisingly the steel sector has already started showing a good revival in India as well as globally. The plants with larger steelmaking capacity have rebounded to 100% production capacity. In line with this, we expect that MISL shall also be able to attract capital for production to resume and enhancement of the same. There is however a great raw material mismatch especially for iron ore and we are strongly taking it up with the government to allow us resumption of iron ore mining for MISL as well as others so as to enable continued supply and stabilization of prices.

### **RISK AND CONCERNS**

Risk is integral part of any Industry and Iron Industry is no exception. The steel industry displays strong commodity characteristics and is subject to cyclical price movements in business cycles. The Company is exposed to risks from overall market fluctuations, cheaper import of steel, changes in government policy, laws of the land, taxation, man-made disaster, political risks and increase in cost of inputs like Iron ore, coal, power, diesel, freight, etc. which affect the financial performance of the Company.

The Company takes steps to address the business risks which can be controlled and mitigated. With synergies and support from the Company, the management expects to further improve the processes, quality of products and market reach.

### **INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY**

The internal control systems include documented policies, checks and balances, guidelines and procedures that are supplemented by robust internal audit processes and monitored continuously by periodical reviews by management to provide reasonable assurance that all assets are safeguarded; transactions are authorized, recorded and reported properly. Post-acquisition, the reconstituted Board/ Management is in the process of further strengthening the internal controls framework with an objective to have a best-in-class internal control framework commensurate with the size, scale and nature of business.

### **DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE.**

During the year under review, the Company's net revenue from operations was Rs. 4017.44 Million as against Rs. 7383.45 Million in the previous financial year. The Company's Profit before Depreciation Interest and Tax ("PBDIT") was Rs. (414.19) Million in the financial year ended 31st March, 2020 as opposed to PBDIT of Rs. 212.06 Million in the immediate previous financial year.

Taking into account depreciation and interest cost, profit before tax (PBT) stood at Rs. (537.69) Million as against Rs. 13.38 Million in the previous financial year and total comprehensive income for the year was Rs. (596.37) Million against Rs. ( 37.82) Million in the previous financial year.

### **HUMAN RESOURCE AND INDUSTRIAL RELATIONS FRONT**

As part of this process, Human Resources analyzes data such as the number of vacant positions, the number of positions filled and the time it took to fill positions. **INDEPENDENT AUDITOR'S REPORT**

**TO THE MEMBERS OF MIDEAST INTEGRATED STEELS LIMITED**

**Report on the Audit of the Standalone Financial Statements Qualified Opinion**

1. We have audited the accompanying standalone financial statements of M/s Mideast Integrated Steels Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matter described in the Basis for Qualified Opinion section of our report*, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view, in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and total comprehensive loss (comprising of the loss and other comprehensive loss), changes in equity and its cash flows for the year ended on that date.

**Basis for Qualified Opinion**

3. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone financial statements.

**Qualifications**

- 1) *The Company, during the financial year, has had several transactions with its related parties, and has a net inter-company receivables being loans given, amounting to Rs 28.22 crores as at 31<sup>st</sup> March 2020 (Rs 26.86 crores as on 31<sup>st</sup> March 2019), to various related parties. The above balance does not include the loan to its subsidiary (Maithan Ispat Limited), which has been referred to point no 2 below. Regarding these amounts and transactions:*
  - *We have not been provided with the minutes of the meetings, hence we cannot comment if any approval for the loans has been taken in the audit committee and board.*
  - *The management has not carried out a detailed impairment assessment as on 31<sup>st</sup> March 2020 and 31<sup>st</sup> March 2019, as required by the Ind AS 36.*

*Accordingly, we are unable to comment on the carrying value of these receivables and whether they will be received by the Company or not, along with the related impairment, if any, and consequential impact thereof on loss for the year, had the Company performed such impairment assessment.*

- 2) *The Company, during the financial year, has given further loan to its subsidiary (Maithan Ispat Limited). The loan balance stands at Rs 16.10 crores as on 31<sup>st</sup> March 2020 (Rs 12.50 crores as on 31<sup>st</sup> March 2019). Regarding these amounts and transactions:*

**ARUN TODARWAL & ASSOCIATES LLP**  
**CHARTERED ACCOUNTANTS**  
**MUMBAI**

- *The management has not carried out a detailed impairment assessment of the Subsidiary as on 31<sup>st</sup> March 2020 and 31<sup>st</sup> March 2019, as required by the Ind AS 36.*
- *We have not been provided with the minutes of the meetings, hence we cannot comment if any approval for the loans has been taken in the audit committee and board.*
- *Since the subsidiary has its operations suspended since January 2019, there have only been purchases made by the Company from its subsidiary, totaling to Rs 0.44 crores during the year.*

*Accordingly, we are unable to comment on the carrying value of these receivables and whether they will be received by the Company or not, along with the related impairment, if any, and consequential impact thereof on loss for the year, had the Company performed such impairment assessment.*

- 3) The Company further has an investment of Rs 179.88 crores in its subsidiary, Maithan Ispat Limited. Based on the financials of its subsidiary as on 31<sup>st</sup> March 2020, the net worth is completely eroded and is negative at Rs 160.37 crores and the liabilities exceed the assets of the subsidiary company by Rs 160.37 crores. In the absence of any impairment testing done by the management, we are unable to comment on the carrying value as at the balance sheet date and the consequential impact on the loss for the year had the company performed such impairment assessment.*
- 4) In pursuance to the judgement dated 2nd August, 2017 of Honorable Supreme Court of India, in the matter of Writ Petition (Civil) No. 114 of 2014 between Common Cause v/s Union of India & Others, there is a compensation imposed of Rs 924 crores along with interest on the company for excess production of Iron Ore during 2000-01 to 2010-11. The Company was supposed to make the payment of this compensation on or before 31st December 2017, failing which the mines of the Company are closed down wef 1st January 2018. The Company has filed a 'Curative petition' (Civil) on 28th March 2018, before the Honorable Supreme Court of India challenging the Judgement and which we have been informed is still pending. Hence, no provision has been made for the same in the books of accounts. However, in our opinion, this compensation has been crystalized and accordingly, a provision for this liability should have been made in the books to the extent of Rs 924 crores along with interest, upto date of the balance sheet, of Rs 471.47 crores, making the total liability provision of Rs 1395.47 crores as on 31<sup>st</sup> March 2020.*
- 5) Balance confirmations have not been provided to us for some fixed deposits and loans. Details are as per Annexure III attached herewith.*
- 6) The basis of having a net deferred tax liability in the books of Rs 73.95 crores has not been shared with us; hence we are unable to comment upon the correctness of the same, as on 31st March 2020.*
- 7) Balances of Debtors, creditors, loans & advances received & given and deposits received & given are subject to confirmations and reconciliations.*
- 8) In our opinion, a provision for doubtful debts of Rs 41.38 crores (Rs 35.08 crores as on 31<sup>st</sup> March 2019) needs to be made against the balances of non-moving old Debtors & Creditors (where advances have been given by the Company), as on 31st March 2020. No litigation has been initiated by the Company on these balances.*
- 9) During the year, the Company has written back a disputed liability of Rs 38.71 crores against the amounts due to a party. We have not been provided with any audit evidence in respect of such write back.*

**ARUN TODARWAL & ASSOCIATES LLP**  
**CHARTERED ACCOUNTANTS**  
**MUMBAI**

**Emphasis of Matter**

- 1) In March 2020, the Company received a demand notice from the GST department, Jajpur, for excess ITC credit claimed in the FY 2018-19. The net demand, after reconciliation and payments made by the Company, stands at Rs 42 crores. As per the management, since the books of accounts already have a GST liability payable of Rs 69 crore, which includes the above Rs 42 crores for FY 2018-19, hence no further provision for the same is required.
- 2) We draw attention to Note 4 to the financial results and Note 32 of the financials, which describe Rs 718 crores due to a party in respect of unreconciled amounts as per an arbitration award. The Company is disputing most of such claims and has filed an appeal against the arbitration award before the Bombay High Court. The same has been admitted by the High Court in December 2019. The hearing is still awaited.

*Our opinion is not modified in respect of these matters.*

**Key Audit Matters**

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There are no matters determined to be the key audit matters to be communicated in our report.

**Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

5. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

*Since we have not been provided with the other information, we will not be able to report on the same.*

**Responsibilities of management and those charged with governance for the Standalone Financial Statements**

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

**ARUN TODARWAL & ASSOCIATES LLP**  
**CHARTERED ACCOUNTANTS**  
**MUMBAI**

7. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

8. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
  - Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may

**ARUN TODARWAL & ASSOCIATES LLP**  
**CHARTERED ACCOUNTANTS**  
**MUMBAI**

reasonably be thought to bear on our independence, and where applicable, related safeguards.

12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

13. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure I" a statement on the matters specified in paragraphs 3 and 4 of the Order

14. As required by Section 143(3) of the Act, based on our audit, *subject to the qualified opinion given above*, we report that:

To the Members of M/s Mideast Integrated Steels Limited

We have audited the internal financial controls over financial reporting of M/s Mideast Integrated Steels Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide

**ARUN TODARWAL & ASSOCIATES LLP**  
**CHARTERED ACCOUNTANTS**  
**MUMBAI**

reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an internal financial controls system over financial reporting *however they need to be strengthened and comprehensively documented*, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. 'The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority. **Emphasis of Matter**

**In the audit report of the Holding Company – Mideast Integrated Steels Limited**

- 1) *In March 2020, the Company received a demand notice from the GST department, Jajpur, for excess ITC credit claimed in the FY 2018-19. The net demand, after reconciliation and payments made by the Company, stands at Rs 42 crores. As per the management, since the books of accounts already have a GST liability payable of Rs 69 crore, which includes the above Rs 42 crores for FY 2018-19, hence no further provision for the same is required. Our opinion is not modified in respect of this matter.*
- 2) *We draw attention to Note 4 to the financial results and Note 32 of the financials, which describe Rs 718 crores due to a party in respect of unreconciled amounts as per an Arbitration Award. The Company is disputing most of such claims and has filed an appeal against the arbitration award before the Bombay High Court. The same has been admitted by the High Court in December 2019. The hearing is still awaited.*

*Our opinion is not modified in respect of these matters.*

**Key Audit Matters**

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We do not have any matters determined to be the key audit matters to be communicated in our report.

**Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

5. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

*Since we have not been provided with the other information, we will not be able to report on the same.*

**Responsibilities of management and those charged with governance for the Consolidated Financial Statements**

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the consolidated

financial position, consolidated financial performance, total consolidated comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

7. In preparing the Consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Group's financial reporting process.

**Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

8. Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

**ARUN TODARWAL & ASSOCIATES LLP**  
**CHARTERED ACCOUNTANTS**

- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
  - Materiality is the magnitude of misstatements in the Consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

13. As required by Section 143(3) of the Act, *subject to the qualified opinion given above*, based on our audit, we report that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept so far as it appears from our examination of those books.
  - c.   - d. In our opinion, the aforesaid Consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e. On the basis of the written representations received from the directors as on March 31, 2020 of the Group, taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f. With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, in our opinion and to the best of our information and according to the explanations given to us, the Group, have, in all material respects, internal financial controls system over

- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us, *subject to the qualified opinion given above*:

- i. The Group has disclosed the impact of pending litigations on its financial position in its Consolidated financial statements.
- ii. The Group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. 'The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.
