**Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**

**Mideast Integrated Steels Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Mideast Integrated Steels Limited (the 'Company') for the quarter ended 30<sup>th</sup> September 2019 and year to date from 1<sup>st</sup> April 2019 to 30<sup>th</sup> September 2019 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 & 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Regulation') as amended, read with SEBI Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 ('the Circular'). Attention is drawn to the fact that the figures for net cash outflows/(inflows) for the corresponding period from 1<sup>st</sup> April 2018 to 30<sup>th</sup> September 2018, as reported in these unaudited standalone financial results have been approved by the Board of Directors of the Company, but have not been subjected to review.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. *In pursuance to the judgement dated 2nd August, 2017 of Honorable Supreme Court of India, in the matter of Writ Petition (Civil) No. 114 of 2014 between Common Cause v/s Union of India & Others, there is a penal compensation imposed of Rs 924 crores along with interest on the company for excess production of Iron Ore during 2000-01 to 2010-11. The Company was supposed to make the payment of this compensation on or before 31st December 2017, failing which the mines of the Company are closed down wef 1st January 2018. The Company had filed a 'Curative petition' (Civil) on 28<sup>th</sup> March 2018, before the Honorable Supreme Court of India challenging the Judgement and which, we have been informed, has been dismissed by the Supreme Court during the reporting quarter. The Company has not made any provision for the same in the books of accounts. However, in our opinion, this penalty has been crystalized and accordingly, a provision should have been made in the books to the extent of Rs 924 crores along with interest of approximately Rs 370 crores upto 30<sup>th</sup> September 2019.*
5. *Based on the deferred tax working shared by the company with us, the deferred tax liability to be provided in the books, as on 30th September 2019, is Rs 153.15 crores. However the Company has provided for deferred tax liability of Rs 73.95 crores only. Hence there is a short provision of Rs 79.20 crores wrt deferred tax liability, as on 30th September 2019.*
6. *In view of point 4 & point 5 as above, had the Company provided for the matters mentioned therein, the loss after tax for the quarter end would stand at approximately Rs 1394.83 crores and for the half year ended 30<sup>th</sup> September 2019 at approximately Rs 1418.70 crores (Penal compensation & Interest on account of excess production of Iron Ore of Rs 1294 crores & short provision of deferred tax liability of Rs 79.20 crores)*
7. *The Company has an investment of Rs 179.88 crores in its Subsidiary, Maithan Ispat Limited. Based on the financials of its subsidiary, the Net worth is negative and the liabilities exceed the assets of the subsidiary company. In the absence of any impairment testing done, we are unable to comment on the investment value taken in the Company's books.*

#### **Emphasis of Matter**

8. *During the quarter, the Company has received the arbitration award dated 25th June 2019, for the case going on with Moorgate Industries India Private Limited and Stemcor SEA Pte Ltd. As per the award, the Company needs to pay Moorgate Industries India Pvt Ltd and Stemcor SEA Pte Ltd an amount in total of Rs 725.39 crores against the net amount shown as due to them as per the Company's books of Rs 407.80 crores. As informed to us by the management, the Company has filed an appeal on 23<sup>rd</sup> September 2019, against the award with the High Court u/s 34.*
9. *Based on our limited review conducted, except for the effects of the our observations from point 4 to 7 above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in*

1. We have reviewed the accompanying statement of unaudited consolidated financial results of Mideast Integrated Steels Limited (the 'Parent') and its subsidiary Maithan Ispat Limited (the Parent and its subsidiary together referred to as 'the Group') for the quarter ended 30<sup>th</sup> September 2019 and Year to Date from 1<sup>st</sup> April 2019 to 30<sup>th</sup> September 2019 (the "Statement") attached herewith, being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Regulation') as amended, read with SEBI Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 ('the Circular'). Attention is drawn to the fact that the consolidated figures for the corresponding quarter ended 30<sup>th</sup> September 2018 and the consolidated figures as well as the consolidated figures for the net cash outflows/(inflows) for the corresponding period from 1<sup>st</sup> April 2018 to 30<sup>th</sup> September 2018, as reported in these unaudited consolidated financial results have been approved by the Parent Company's Board of Directors, but have not been subjected to review.
2. The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, read with the Circular is the responsibility of the Parent's management and has been approved by the Board of Directors of the Parent. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. *In pursuance to the judgement dated 2nd August, 2017 of Honorable Supreme Court of India, in the matter of Writ Petition (Civil) No. 114 of 2014 between Common Cause v/s Union of India & Others, there is a penal compensation imposed of Rs 924 crores along with interest on the Parent for excess production of Iron Ore during 2000-01 to 2010-11. The Parent was supposed to make the payment of this compensation on or before 31st December 2017, failing which the mines of*

*the Parent are closed down wef 1st January 2018. The Parent had filed a 'Curative petition' (Civil) on 28<sup>th</sup> March 2018, before the Honorable Supreme Court of India challenging the Judgement and which, we have been informed, has been dismissed by the Supreme Court during the reporting quarter. The Parent has not made any provision for the same in the books of accounts. However, in our opinion, this penalty has been crystalized and accordingly, a provision should have been made in the books to the extent of Rs 924 crores along with interest of approximately Rs 370 crores upto 30<sup>th</sup> September 2019.*

- 5. Based on the Parent Company's deferred tax working shared with us, the deferred tax liability to be provided in the books, as on 30th September 2019, is Rs 153.15 crores, however the Parent Company has only provided for deferred tax liability of Rs 73.95 crores. Hence there is a short provision of Rs 79.20 crores wrt deferred tax liability, as on 30th September 2019.*

*Based on the Subsidiary Company's deferred tax working shared with us, the deferred tax liability to be provided in the books, as on 30th September 2019, is Rs 73.50 crores, however the Subsidiary Company has provided for deferred tax asset of Rs 139.80 crores. Hence there is a short provision of Rs 213.31 crores wrt deferred tax liability, as on 30th September 2019.*

- 6. In view of point 4 & point 5 as above, had the Group provided for the matters mentioned therein, the consolidated loss after tax for the quarter end would stand at approximately Rs 1615.17 crores and for the half year ended 30<sup>th</sup> September 2019 at approximately Rs 1653.40 crores (Penal compensation & Interest on account of excess production of Iron Ore of Rs 1294 crores & short provision of deferred tax liability of Rs 292.51 crores)*

#### **Emphasis of Matter**

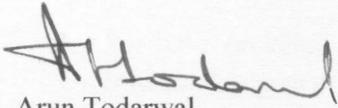

- 7. During the quarter, the Parent has received the arbitration award dated 25th June 2019, for the case going on with Moorgate Industries India Private Limited and Stemcor SEA Pte Ltd. As per the award, the Parent needs to pay Moorgate Industries India Pvt Ltd and Stemcor SEA Pte Ltd an amount in total of Rs 725.39 crores against the net amount shown as due to them as per the Parent's books of Rs 407.80 crores. As informed to us by the management, the Parent has filed an appeal on 23<sup>rd</sup> September 2019, against the award with the High Court u/s 34.*
- 8. The total liabilities of the subsidiary, Maithan Ispat Limited, exceed the total assets as on 30th September 2019, and the Net worth is negative. The plant has been shut down since January 2019. In view of the above, as per our opinion, the subsidiary may not be considered as a going concern.*
- 9. Based on our limited review conducted, except for the effects of the our observations from point 4 to 6 above, nothing has come to our attention that causes us to believe that the accompanying*
